

American Business Coalition Sponsoring CEOtoCEO

Supporting small business is what the American Business Coalition was created to do, and as a sponsor of CEOtoCEO, American Business Coalition will be supporting the premier venue for CEOs and executives to have peer-to-peer discussions and enjoy presentations from some of the best speakers in business and leadership. In addition, ABC members will be able to attend CEOtoCEO events at a substantial discount.....

CEOtoCEO is a unique series of breakfasts held monthly alternating between Seattle and Bellevue, and 4 times per year in Spokane. Each event is exclusively attended by CEOs, executives, and business owners that offers attendees a great opportunity to share conversations with other leaders from a wide range of industries. A group discussion takes place during each breakfast, and explores a dynamic topic from a variety of subjects.

Each event features a presentation on emerging or perennial challenges or opportunities in business, developing technology, management techniques, legal concerns, taxes, marketing, or other topics related to leadership. Speakers representing a variety of industries and some of the most prominent companies in the state speak at CEOtoCEO breakfasts, sharing their unique experiences, insights, and perspectives.
