## Get the most from your benefits!

### How your plan works

Simply visit your dentist to increase your coverage level by 10% for the following year. Repeat until you achieve your maximum benefit levels. Here's an example:

### Choose an in-network dentist

Your plan gives you access to the Delta Dental Premier® network. These dentists are *participating*, or in-network dentists.

	Delta Dental Premier	Out-of-network
Your plan's network	✓	
Benefits go farthest which means least out-of-pocket costs	✓	
Files all claims forms for you	✓	
Comes with our quality management and cost protection	✓	
No cost protection which means greatest out-of-pocket costs		✓

Find an in-network dentist near you:

1. Visit [DeltaDentalWA.com](http://DeltaDentalWA.com)
2. Click on 'Online Tools' and use our 'Find a Dentist' tool
3. Select 'Delta Dental Premier' to filter your search results

### Visit your dentist regularly

Your plan covers preventive care visits each year. Regular cleanings and check-ups are essential to keeping your smile healthy and preventing painful, expensive problems down the road.

### Get out-of-pocket cost estimates

Knowing your cost upfront helps you and your dentist plan treatments to maximize your benefits.

**MySmile Cost Genie**™ gives you instant, cost estimates. It's great for basic treatments like fillings. Simply sign in to MySmile account to get your personalized estimate.

When you need extensive treatment, like a crown, ask your dentist for a "Predetermination." You'll get a **Confirmation of Treatment and Cost** from us. It details your dentist's treatment plan, what your benefits cover, and how much you may owe your dentist for the treatment.
